## Service Category Definition – Non-Medical Case Management

---

(HIV/AIDS Bureau Policy Clarification Notice #16-02, Revised 10/22/2018)

Non-Medical Case Management Services (NMCM) is the provision of a range of client- centered activities focused on improving access to and retention in needed core medical and support services. NMCM provides coordination, guidance, and assistance in accessing medical, social, community, legal, financial, employment, vocational, and/or other needed services. NMCM Services may also include assisting eligible clients to obtain access to other public and private programs for which they may be eligible, such as Medicaid, Children’s Health Insurance Program, Medicare Part D, State Pharmacy Assistance Programs, Pharmaceutical Manufacturer’s Patient Assistance Programs, Department of Labor or Education-funded services, other state or local health care and supportive services, or private health care coverage plans. NMCM Services includes all types of case management encounters (e.g., face-to-face, telehealth, phone contact, and any other forms of communication).

Key activities include:

- Initial assessment of service needs;
- Development of a comprehensive, individualized care plan;
- Timely and coordinated access to medically appropriate levels of health and support services and continuity of care;
- Client-specific advocacy and/or review of utilization of services;
- Continuous client monitoring to assess the efficacy of the care plan;
- Re-evaluation of the care plan at least every 6 months with adaptations as necessary
- Ongoing assessment of the client’s and other key family members’ needs and personal support systems

## Program Guidance

---

(HIV/AIDS Bureau Policy Clarification Notice #16-02, Revised 10/22/2018)

NMCM Services have as their objective providing coordination, guidance and assistance in improving access to and retention in needed medical and support services to mitigate and eliminate barriers to HIV care services, whereas Medical Case Management Services have as their objective improving health care outcomes.

## Ryan White HIV/AIDS Program Eligibility Requirements

(HIV/AIDS Bureau Policy Clarification Notice #13-02, Revised 5/1/2019)

Person(s) seeking services in the Ryan White HIV/AIDS Program (RWHAP) must meet the following requirements for eligibility:

- Any person(s) with an HIV diagnosis or their legal guardian who lives in the City of Paterson, Passaic County, and/or Bergen County, New Jersey; **OR**
- A person designated as the individual's medical power of attorney (i.e., their court appointed representative or legal representative). *Proper documentation must be collected at initial determination and redetermination to verify guardianship or medical power of attorney. **AND***
- Any individual with a household income that is at or below 500% of the federal poverty level; **AND**
- Any individual who is uninsured or underinsured.

Client eligibility must be certified annually and recertified at least every six months. The primary purpose of the RWHAP eligibility certification process is to ensure that an individual's residency, income, and insurance status continues to meet the Bergen-Passaic transitional grant area (TGA) eligibility requirements and to verify that the RWHAP is the payer of last resort. The eligibility recertification process includes checking for the availability of all other third-party payers. Subrecipients are also required to obtain documentation of CD4 and viral load laboratory results at each eligibility certification and recertification for all clients. Laboratory results must be recent and within 6-months of the eligibility determination date. Subrecipients are required to obtain documentation and maintain the results of the laboratory results in client chart and documented in eCOMPAS.

## Quality Management Outcomes and Quality Assurance Measures

(HIV/AIDS Bureau Policy Clarification Notice #15-02, Updated 11/30/2018)

In addition to the system-wide Service Standards applicable to all RWHAP Part A and Minority AIDS Initiative (MAI)-funded subrecipients, the following program specific Service Standards apply to Non-Medical Case Management Services subrecipients. These Service Standards are an essential component of the Bergen-Passaic Quality Management program to inform the on-going monitoring and evaluation of RWHAP Part A and MAI-funded non-medical case management subrecipients by the City of Paterson Ryan White Grants Division Office (Recipient). Full compliance with these Service Standard is expected for RWHAP Part A funded subrecipients that have contracts with the City of Paterson, Ryan White Grants Division.

### Clients Rights and Responsibilities

---

Services will be provided to all eligible RWHAP clients without discrimination on the basis of: HIV status, race, creed, age, sex, gender identity or expression, marital or parental status, sexual orientation, religion, physical or mental status, immigrant status, or any other basis prohibited by law. Subrecipient's providing services are required to have a statement of consumer rights and responsibilities posted and/or accessible to the client. Each Subrecipient will take all necessary actions to ensure that services are provided in accordance with the consumer rights and responsibilities statement and that each consumer understands fully their rights and responsibilities.

### Clients Charts, Privacy, and Confidentiality

---

Subrecipient's providing services must comply with the Health Insurance Portability and Accountability Act (HIPAA) provisions and regulations and all federal and state laws concerning confidentiality of consumers Personal Health Information (PHI). Subrecipient's must have a client release of information policy in place and review the release regulations with the client before services are received. A signed copy of the release of information form must be included in the clients' record. Information on all clients receiving Ryan White Part A funded services must be entered in the HRSA sponsored, Bergen-Passaic TGA managed, eCOMPAS database.

### Cultural and Linguistic Competency

---

Subrecipient's providing services must adhere to the National Standards on Culturally and Linguistically Appropriate Services. (please see <https://minorityhealth.hhs.gov/omh/browse.aspx?lvl=2&lvlid=53> for more information)

### Client Grievance Process

---

Each Subrecipient must have a written grievance procedure policy in place which provides for the objective review of client grievances and alleged violations of service standards. Clients will be routinely informed about and assisted in utilizing this procedure and shall not be discriminated against for doing so. A signed copy of the grievance procedure policy form must be included in the clients' record.

### Case Closure Protocol

---

Each Subrecipient providing services must have a case closure protocol on file. The reason for case closure must be properly documented in each client's file. If a client chooses to receive services from another provider the Subrecipient must honor the request from the client.
