

RYAN WHITE PART A

Funding Cycle

HOW THE FUNDS FLOW

- ❖ Each year Congress approves a budget that includes funds for Ryan White programs, including Part A. The money for Part A is divided into formula, supplemental and Minority AIDS Initiative (MAI) funds.
- ❖ Formula funds are awarded to Eligible Metropolitan Areas (EMA) or Transitional Grant Areas (TGA) based on the number of persons living with HIV and AIDS in the EMA or TGA. Supplemental funds are awarded to the EMA or TGA based on demonstrated need and other factors. EMAs or TGAs must submit an annual grant application to HAB/DSS each year to receive formula and supplemental Part A funds.
- ❖ The Recipient should prepare all Part A applications with planning council input (Priority & Allocations; Assessment of the Administrative Agent, etc).
- ❖ February 10th, 2020-- Congress passes budget, President signs budget
- ❖ Partial Award for GY 20 starting March 1, 2020--Part A Recipient's will receive award for partial funding (approximately 31% Formula and 20% MAI) based on the continuation of FY 2019 program requirements and funding levels.

ONCE THE CITY OF PATERSON RECEIVES THE AWARD

- ❖ The City of Paterson receives the Notice of Grant Award (NGA) indicating the amount of funding the TGA is to receive for the grant year. The Ryan White Part A Grant year starts March 1st and ends February 28th (or 29th).
- ❖ The Recipient's Office procures services with Subrecipient's based on the Planning Council's allocation directive.
- ❖ Contracts are issued by the City of Paterson to each Subrecipient based on approved contracts to provide Ryan White Services by the Recipient's Office in alignment with the Planning Council's allocation directive.
- ❖ Once contracts are executed, billing for services can begin.

HOW IT ALL WORKS
